## **Eighth International Forum “Russia in the XXI century: global challenges and prospects of development”**

On October 24-25, 2019 in Moscow under the auspices of the Integration Club under the Chairman of the Federation Council of the Federal Assembly of the Russian Federation will be held the Eighth International Forum "**Russia in the XXI century: global challenges and prospects of development**". The forum is devoted to the discussion of actual issues of sustainable development of the Russian economy, the solution of which at the present stage is necessary to improve interregional integration and enhance international cooperation in the conditions of global instability.

The forum is being held at a time when the global challenges facing Russia have escalated. They bring both new opportunities to increase the competitiveness of the Russian economy and stimulate import substitution, and new threats of an investment and technological nature. In this regard, the key topics of discussion will be the strengthening of the EAEU and its interaction with other integration associations, the relationship of economy and politics in global integration processes, ways to ensure transparency and protect the business environment from financial threats and risks.

Co-organizers of the forum - Ministry of Science and Higher Education of the Russian Federation, Russian Academy of Sciences, the Presidium of the Russian Academy of Sciences, Department of Social Sciences of RAS, Section of Economics, Market Economy Institute of RAS, Central Economics and Mathematics Institute of RAS, Russian Foundation for Basic Research, Institute of Economics and Demography of Academy of Sciences of the Republic of Tajikistan, Tashkent State Economic University of Republic of Uzbekistan, Institute of Strategic and Interregional Studies under the President of the Republic of Uzbekistan. In the forum will participate heads of executive authorities, representatives of the Federal Assembly of the Russian Federation, leading researchers, experts and publicists.

The forum is scheduled to hold a plenary session "Strategy of innovative and technological breakthrough and future model of economic growth in Russia in the terms of sanctions", as well as the following sections:

Section 1. *Eurasian integration in conditions of global instability.*

Section 2. *Modernization and economic security.*

Section 3. *Regional problems of spatial economic development.*

Section 4. *Environmental problems of economic development.*

Section 5. *Modeling the evolution of socio-economic systems.*

*Venue of the Eighth International forum: Moscow, Nakhimovsky Avenue, 47, Market Economy Institute of RAS.*

As a result of the forum, it is expected to prepare proposals and recommendations to the Presidential Administration, the Federal Government, the Federation Council and the State Duma, as well as relevant ministries and agencies. It is also planned to publish a collection of works with the assignment of codes ISBN, UDC, BBK and distribution to libraries in Russia.

Applications for participation in the forum and the papers of reports should be sent to the Organizing Committee no later than October 15, 2019.

More information about the forum can be found on its website: <http://www.russia-globalchallenge.ru>
